Raw, charming and many possibilities

PAKHUS11's raw and rustic facilities provide plenty of room for creativity and tailor-made events. Our buildings consist of several units and can accommodate events of all shapes and sizes.

PAKHUS11 offers two facilities: Pakhuset and Smedjen - both have been carefully updated while taking the history of the buildings into consideration. We call it "rustic elegance". Pakhuset accommodates 450 seated or 1,000 standing guests.

When you rent SMEDJEN, it is up to you to decide how to use this uniquely charming space. With its raw look and a fireplace it's a great venue for smaller tailor-made events - and we are not in the habit of saying no to alternative or even challenging events.

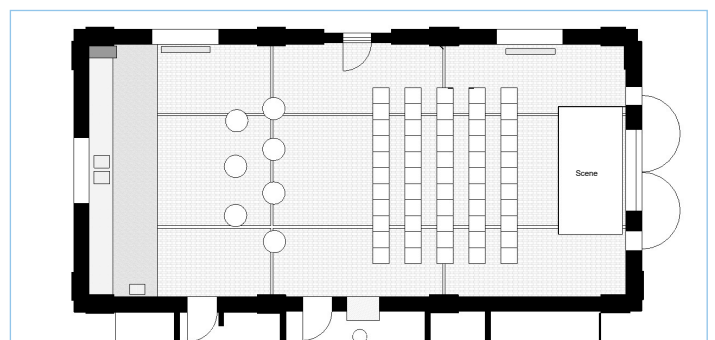

Smedjen accommodates 20 - 80 people:

Round tables of 8 people i.e. 56 people

Long tables of 6 people i.e. 66 people

Chairs for 55 people incl. a stage 2 x 4 meters
